INSIDE LOWE’S

Founded in 1946, Lowe’s has been helping people love where they live for more than 70 years. Today, Lowe’s serves more than 17 million retail and professional customers a week in the United States, Canada and Mexico, providing inspiration and support whenever and wherever customers shop. A typical Lowe’s store stocks approximately 37,000 products, and Lowe’s has more than 400,000 products available online – offering everything customers need to build, beautify and enjoy their homes at a value. And we’re just as committed to the communities we call home. In the past decade, Lowe’s and the Lowe’s Gives Foundation together have contributed nearly $300 million to improve local communities.
